

Carols CD

*Carols by Candlelight as sung by
The City of Bath Bach Choir in the Pump Room, Bath*

This CD features Carols sung at one of the recent City of Bath Bach Choir's "Carols by Candlelight" concerts given prior to Christmas. These concerts have been given in the Pump Room each December for over 60 years. They provide the Choir with the opportunity to display its versatility and musicianship in introducing new and interesting carols as well as offering old favourites and carols for audience participation - and are now a well loved feature of Bath's Christmas celebrations. To quote from a recent review, they are - "one of the long-established fixtures in the city's pre-Christmas calendar, combining the new and the traditional, and are always a first rate tonic."

At £6 (including postage and packing) the CD makes an ideal Christmas gift.
