From Leipzig to Bath: Bach Cantata Cycle

Take this rare opportunity to sing with
the choir under the direction of
world-renowned conductor David Hill MBE

“ I can't imagine a more enjoyable day than
studying Bach and his amazing cantatas.
They represent his whole being as a musician
and man of God. We will work at the technical
demands of his music and learn together
why Bach continues to be the musical guide
for so many in their lives.” – David Hill

As Musical Director of The Bach Choir, David is well-known for his exacting performance standards, sensitive musicality and wry sense of humour – ideal qualities in a workshop director. We are greatly looking forward to a day of fun, camaraderie and musical learning under his leadership. Singing the solo parts and helping us throughout the day will be two choral scholars from the Oxford Bach Soloists. Please come along, whatever your skill level.
